U.S. Airline JetBlue Expands Into Canada: U.S. airline JetBlue is coming to Canada for the first time, with flights from BOS and JFK into YVR scheduled to launch in summer 2022. The flights from BOS are set to be seasonal. The LCC's move into Canada is part of the next phase of its "Northeast Alliance" partnership with American Airlines, an expansion plan targeting travellers in the northeast U.S.

Canada Bans Flights From India And Pakistan For 30 Days: The federal government will ban passenger flights from India and Pakistan for 30 days amid rising COVID-19 case counts in India and concerns about mutations of the coronavirus. At a virtual press conference on Thursday, Transport Minister Omar Alghabra said that because an increasing number of travellers from both countries have been arriving in Canada with COVID-19, all commercial and private passenger flights from those countries will be barred as of 11:30 p.m. Thursday night.

UPDATED: Flying To Canada: COVID-19 Testing For Travellers: Effective April 23, 2021, the Day-10 test has changed to Day-8 for travellers entering Canada. If you arrived in Canada before April 23, you must still take your test on Day 10 of your quarantine.

WFS And Air Canada Join Forces To Support Canada's COVID-19 Vaccine Campaign: Worldwide Flight Services (WFS) and Air Canada are working closely with the Canadian government to transport vial caps for doses of the COVID-19 vaccine to support the country's immunization program.

Brussels Airlines Makes Tentative Plans for 15JUN Return to YUL: Brussel Airlines hopes to resume flights to YUL on 15JUN, but cautions that given the current travel restrictions in Canada, these plans might change. The airline's tentative goal is for a return to leisure travel this summer.
