**Which COVID-19 Vaccinations Are Recognized Abroad? A guide for Canadian Travellers:** As Canadians begin to embrace a return to normalcy, many are considering the exciting prospect of travelling once again. But those who choose to go abroad may soon realize that picking a destination isn't as straightforward as it was before the COVID-19 pandemic. While a negative PCR test before departure is still required by most destinations, many countries also require foreign visitors to provide proof of vaccination against COVID-19 when entering.

**PAL Introduces New Route From St. Johns To Ottawa:** Provincial Airlines-PAL, a Newfoundland-based carrier, has started a new route from the East Coast to Ottawa, with the inaugural trip scheduled for July 30, 2021. The first flight left the nation's capital early in the morning and arrived at 1:30 p.m. at St. John's International Airport.

**WestJet Offers New Non-Stop Flight From YYC To YYG:** WestJet's new non-stop flight directly links Western Canada to P.E.I. for the first time, starting 02AUG. It celebrated the launch of its new route between Calgary and Charlottetown with the departure and arrival of flight 630 and flight 631 between the communities. The new, twice-weekly service operates on Thursdays and Sundays. The service was previously set to begin in JUN 2020, but was delayed due to the pandemic.

**Air Canada Launches New Connections To Florida From YQB:** Air Canada announced two new flight connections to Florida from YQB to Florida destinations, as well as increased frequency to popular Mexico destinations. "We're excited to be launching these two new routes to Florida from Quebec City, a first for Air Canada. We know that, for many Quebecers, Florida is a popular place for winter vacations," said Mark Galardo, Senior Vice President,

Network Planning and Revenue Management at Air Canada.
